AHMSI does not recognize property tax deferrals, repayment plans, or third-party property tax lien transfers and will take the necessary action to pay more type to ensure that our mutually vested interest in your property is not at risk. These programs create a lien on your property that takes precedence over the mortgage lien in most cases and may result in interest at a high rate owed to the tax collector or a third party, payable over the course of the repayment plan or at the expiration of the deferral period. FREQUENTLY ASKED QUESTIONS

Deposits into your escrow account are built into your monthly mortgage payments and those sums are held in reserve for future disbursements for your property taxes and/or insurance.

Why do escrow deposits change?

When changes in your taxes and/or insurance occur or your escrow account is short, your escrow deposit will adjust resulting in a new monthly payment.

AHMSI analyzes contractually current escrowed loans once every 12 months to determine the appropriate monthly escrow deposit. Additional analysis or payment adjustments may be necessary when significant changes in disbursement amounts of escrowed items occur.

What does an analysis reveal?

An analysis determines if adjustments need to be made to the escrow deposit based on escrow disbursements in an upcoming year. If AHMSI has disbursed an amount higher than anticipated for any escrowed item(s), generally a shortage is created and a payment coupon will accompany the analysis. If AHMSI disbursed an amount lower than anticipated for any escrowed item(s), generally an overage is created ana a check may accompany the analysis.

Q. Is a cushion in an escrow account necessar?
